Now you can buy Arjo products via the Arjo Uniting portal for your own use.

- Refer to the "Download product list" of all contracted products on www.arjo-uniting.com
- Request quotation for product and delivery options via email to insidesales.au@arjo.com using your Uniting email address. Apply for personal use orders only.
- Arjo customer service generates a sales order and sends to you for payment.
- On dispatch of the delivery, Arjo customer service generates a delivery order. A delivery docket is required with every delivery.

The Arjo Mobility Gallery™

The Arjo Mobility Gallery is an assessment and communication tool, based on 5 levels of mobility from A-E. This tool was initially developed for the aged care environment to improve assessment and communication related to resident functional mobility and the impact it has on the delivery of care.

Visit Arjo Australia's website for further information on product specifications and other solutions www.arjo.com.au
